#### Evaluating the impact of SSP spending in 2016/2017

Provision	Cost	Planned Impact	Impact	Evaluation
Swimming – additional provision to support non-swimmers and improve outcomes for all in Year 4 & 5 including performance at local events (Sedbergh & South Lakes).	£288	For non-swimmers to quickly gain confidence and become swimmers.	Non-swimmers gained confidence at a quicker rate and swimming technique has progressed at a good rate.	Need to do this every year. It has worked really well.
Additional outdoor and adventurous experiences.  Water Experience Days for all the Junior classes. W/C April 28th	£2500	Enhanced confidence within the children. Provide experiences outside the normal routine.	Children given the chance to experience new outdoor / adventurous activities and a chance to test themselves with new challenges.	A huge success! 6 days of outdoor activities at Lake Windermere which were enjoyed by all – all children benefited considerably.
Development of Forest Schools and Outdoor Learning skills amongst the staff. - Training - Development of experiential days.	£250	Staff to become more aware of the possibilities in this area.	Give children the chance to learn outside of the classroom – bringing the outdoors to them.	Tim Deighton has already begun to explore this area with classes. So far – successful.
Additional coaching including staff CDP Calvin Moorehead	£3676.75	Staff to become confident about leading PE sessions of a good quality.	Each class that he coaches gets good quality lessons.	Good use of PE budget.

			Staff coaching yet to be done.	
Y.P.O. Sports equipment and resources <ul style="list-style-type: none"> <li>• Skipping equipment</li> <li>• Replacement of damaged balls / PE equipment</li> </ul> Safari Sports	£844.23  £94.23	Lessons will be resourced with a sufficient amount of equipment. New gym mats. New playtime sporting equipment. Gym equipment storage trolley. New equipment for PE lessons.	Unsuitable / unusable PE resources replaced. Sports equipment purchased for playtimes has provided children with incentive to be even more active.	Gym trolley makes it easier to use equipment. New equipment used during playtimes enhances a healthy lifestyle ethos.
Tennis coaching with Jon Griffin (Summer 2016)	£350	Promote tennis skills. Promote link with local club. More juniors to play at the local club.	A few extra juniors at the club.	If there remains interest then we will put on more coaching in 2017.
Playground equipment – contribution towards a climbing wall	£300	Continued enhancement of playtime exercise / healthy lifestyle.	Children are always using the wall – challenging themselves / working together.	The children want more 'exercise' equipment. The wall is a hugely popular piece of equipment.
Dance workshops x2 for whole school Indian Dance Chinese Dance	£399 £399	Provision of stimuli for creative movement.	Children more aware of the differences between cultural dances. Many different skills were used (Chinese fan dance used a lot of intricate hand movements)	2 fantastic days – both resulted in skilful dance performances at the end of the day.
Sedbergh Bowling Club	£440	New sets of smaller bowls so the smaller children in the Juniors can play with more control.	Children with smaller hands / less strength to have more control and to be able to send the bowls a longer distance so the game is easier for them to succeed in.	The smaller children were much more able to control the bowls and therefore the enjoyment and skill levels were higher.
Brewery Dance Platform – March 2017	£70	Chance to use create movement skills in a performance.	Enhance teamwork skills when working creatively.	Very successful performance enjoyed by a large crowd.
Rubricon Industries (skateboarding workshop) Tues 6 <sup>th</sup> June for Y1 and up	£300	Children to be given the chance to try something new. Something that they could enjoy outside of school.	Provide a new experience (in an active area that is easily accessible to all) for those who have not tried it.	Children loved it and want more. Local children now practising on their own skateboards outside school hours.
Val Sabin dance scheme of work	£139	Provide Junior staff with a progressive scheme of work for dance and for musical resources to accompany the dance.	Early usage has provided positive feedback. Already the stimulus for an enjoyable Year 6 Haka performance.	Staff just beginning to use the scheme – they say it makes the planning and delivery of dance sessions much easier.
Set of goals for Year 1	£29.99	Target stimulus. Improve	Children will improve their throwing	Good feedback from those classes
