## ICT Acceptable Use Agreement – E-Safety

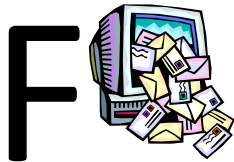

Think before you click...

I will only use the Internet and email with an adult in school.

I can click on buttons or links when I know they are safe.

I can write polite and friendly messages to people I know.

If I see something I don't like on a screen, I will always tell an adult.

## ICT Acceptable Use – Pupil and Parent/Carer Agreement

We have discussed this agreement and ..... (child's name) agrees to follow the E-Safety rules and to support the safe use of ICT at **Sedbergh Primary School**.

I also give consent for my child to register with school approved web based learning services. I understand that in doing so my child is creating an online profile within a controlled 'safe' environment (if you have any concerns about this please contact school).
