

Sedbergh Primary School

'Excellence in the heart of the community'

School Newsletter – 26th June 2017

We have had such a busy term in school. I am already struggling to remember all the different events and activities that have taken place since Easter. This school is a busy and vibrant place with so much going on!

In recent news, I'm delighted to tell you that our school **swimming** squadron had a brilliant gala this year, the boys came home with first place and the mixed team came a brilliant third overall. Well done to everyone in the team! And also a big thankyou to Mrs Swallow for her hard work in organising the teams.

*Thank you to those teachers and parents who joined us for our last 'Grounds Day' in early June. The 'Science and Wildlife Garden' is really starting to look very good. On **Sunday 9th July**, we would like to hold one last 'Grounds Day' to finish the planting in this area and get ready for a grand opening event in September. Please come along and lend a hand (and some expertise) if you have the time. Work will begin at about 9.00am, we will aim to finish around lunchtime.*

PUPIL SAFETY - In the past I have asked parents not to park in the disabled bay opposite the school gate at the start and end of each school day. It is vital that this space is available for those children and parents who need to use it, to ensure safe access to our school. If the space is blocked, Maryfell becomes blocked. This makes life difficult for all of us. I would really appreciate your help in avoiding this, but most importantly ensuring the safety of all our pupils.

School Governors – The school is still looking to appoint a number of new governors, including at least 1 parent governor. Please do contact me if you would like to have a chat about what this role entails. We really do need parents of children in our school to come forward and help us with the leadership of our fantastic school.

Classes for next year - On Monday 17th July children will spend part of the morning with their new class teacher in their new classroom ready for the start of the next Academic Year on Monday 4th September. Nothing has changed staffing wise in school but here is a reminder of who teaches where...

Nursery & Reception - Miss Anna Healey and Mrs Jayne Jones
Year 1 - Mrs Lynda Livesey
Year 2 - Mr Neal Banner
Year 3 - Mrs Sally Davies
Year 4 - Mrs Anne-Marie Wood
Year 5 - Mr Steve Cayley
Year 6 - Mrs Tracy Whetton

Diary Dates

29&30/6/17 Year 4 Residential Visit to York

20/7/17 School breaks up at 2pm for the Summer Break

1/9/17 Teachers in school for staff training
4/9/17 Children return to school for the 2017/2018 Academic Year

Can I remind all parents that dogs should not be brought onto the school grounds. Some parents have understandably raised concerns about some dogs being brought onto the yard whilst children are on site.

Please regularly visit our school website www.sedberghprimary.org for further updates.
