

Sedbergh Primary School

School Sports Premium Grant Expenditure – Review and Plan – September 2019

Review of Provision – Academic Year 2018/2019					
Overview of the school: Pupils on roll 143, School Sports Premium Grant £17,489					
Planned Provision and Support	Cost	Planned Impact	Impact	Participation	Pupil Comments
Lunchtime Activity Club	£901	Improved quality of PE provision and coaching expertise in school. Promote healthy lifestyles / children to be more active during lunchtimes.	Pupils have all really enjoyed it. Keeps them active and healthy.	All classes from Years 1 to 5 to date = 105 children, at least 6 30 minute sessions over a half term.	'It gets us fitter because we do lots of running around'.
P.E. coach (Calvin Moorhead) – 3 sessions per week	£3341.25	Improved quality of PE provision and coaching expertise in school.	Pupils receiving high quality PE sessions throughout the year.	Oak, Beech and Yew class – 82 children, weekly PE sessions across the school year covering the NC requirements for PE.	'We get taught proper sport skills'
Windermere outdoor days x 5	£3595	Gain confidence in challenging situations. Gain new skills in outdoor activities. Experience different types of sport / physical activities. Enhancement of pupil's outdoor water based skills. Improved pupil collaboration and communication.	Improved self-belief and confidence in unfamiliar situations or when facing new challenges.	All Key Stage 2 year groups (Years 3 to 6), 86 children. One activity day for all classes except for Year 6 who have 2 days.	'The best day of the year because I never get to do these things on any other day'.
Brewery Dance	£340	Extend creative movement experiences. Experience of viewing and participating in professional dance works in front of a live audience.	Top performance and great teamwork. Pupils all performed in front of large audience.	Ash class – 26 children.	'..really fun, even though lots of people watching'.
Outdoor learning days delivered by Tim Deighton	£1392	Staff to become more aware of the possibilities in this area. Enhanced confidence within the children. Provide experiences outside the normal routine.	Ongoing – teachers gaining experience and confidence on how to deliver these types of activities themselves. Hopefully, staff will soon be able	All classes except Nursery, 143 children. Half day sessions for Reception and Year 1. All other classes full days linked to curriculum projects/learning.	'It's important to learn new skills that we don't do in PE'.

			to deliver these experiences to the pupils without external help.		
Outdoor area improvements (KS1 yard trim trail).	£2000	Provide a safer, more stimulating area in which pupils can develop a wide range of skills.	New equipment in place and being used enthusiastically.	All children in school at break times. Specific pupil groups for therapeutic activity sessions (EYFS and SEND).	'it's good to play on at break, to keep busy. Everyone takes turns...'
Bikeability	Free	Improved cycling skills and safety awareness when on the road.	Pupils have better knowledge of how to keep themselves safe when cycling on the road.	Year 6 children in Oak class – 22 children. 20 passed to Level 3, two children Level 2 competence.	'I like riding my bike to school. I'll be safer in my bike...'
Transport to events / entry fees	£500	Support and opportunity for our gifted sportspeople and wider opportunities for all children in school.	Many pupils given the chance to take part in competitive sport. Cross country, football, swimming, netball, athletics, rounders, tag rugby.	Years 6, 5, 4, 3. 60+ pupils throughout the year.	'Running against other schools makes you run faster'.
Replacement of old/damaged sports equipment e.g high jump posts	£353	To maintain the quality of resources and provision in school.	Ongoing – old equipment regularly being replaced. New hurdles, high jump equipment, balls.	All children in school through PE curriculum delivery.	
Maths of the Day Subscription	£545	Resources specifically aimed to inject physical movement and activities into the teaching of maths – linked to maths SDP priorities.	Increased activity during the school and a different physical approach to learning that maths the needs of some children and provided variety for others.	Years 1 to 6	'I like to do the maths in the hall, running around to find solutions instead of having to always write them down.'
5-A-Day Fitness Resource Subscription	£252	Resources designed to be used intermittently during the school day to inject activity and physical movement.	Used by many classes and also of benefit when the weather (quite regularly) is inclement.	Whole school	'It's good, if you're quick to get changed you can get stuck in straightaway'.
Hawk Dance Project (evaluation piece)	£200	A school based dance performance including audience participation followed by 2 practitioner led workshops. Children exposed to a high quality, child focused dance experience.	The children thoroughly engaged with the thought provoking and inspiring movement experience. Children explored their emotional responses to events through movement.	EYFS, Year 1 and Year 2 – 57 children.	'A magical experience for the children, to see something and learn something in a way we couldn't realistically implement'. Staff member
