

Name: _____

My Nursery Goals!

Here are some activity ideas you can do with your child to practise concepts we will be learning throughout the year in Nursery.

I can recognise my colours.	I can catch a large ball.	I can listen to a story and tell what it is all about.	I can share and take turns with others.
I can count objects and say how many there are.	I know my birthday.	I can manage my toileting needs independently.	I can identify some shapes.
I can identify the beginning sound of a word.	I can draw a picture and talk about it.	I can put on my coat independently.	I can blend and segment words orally. E.g. sound out d-o-g.
I can rhyme.	I can use a knife and fork to eat my dinner.	I can count to 10.	I can write my name.
