

Sedbergh Primary School

School Sports Premium Grant Expenditure – Review and Plan – September 2020

Review of Provision – Academic Year 2019/2020

Overview of the school; Pupils on roll 139, School Sports Premium Grant £17,420

Provision and Support	Cost	Impact	Participants	Comments/Evaluation
Lunchtime Activity Club – Shaun Gardner & Ben Ferguson	£918	Improved quality of PE provision and coaching expertise in school. Promote healthy lifestyles / children to be more active during lunchtimes.	All classes at least 6, 30 minute sessions over a half term.	<ul style="list-style-type: none"> - Improved engagement - Increased numbers of children engaged in activity through the day - Improved teamwork and skills - Improved outcomes during afternoon sessions
P.E. coach (Calvin Moorhead) – 3 sessions per week	£2954	Improved quality of PE provision and coaching expertise in school. On site CPD and training for school staff and teachers – improved ratios to support excellent outcomes for children in PE.	Oak, Yew and Ash class – 87 children, weekly PE sessions across the school year covering the NC requirements for PE.	<ul style="list-style-type: none"> - Improved teaching practise for staff - Improved learning in specific skills and games based strategies - Improved outcomes for children.
Wheelchair basketball	£450	The children enjoyed last year’s session so much that a large number asked for more sessions so that they could get more time to practise their skills in the wheelchair. They will gain a better idea of how Paralympic /disabled athletes compete in competitive ball sports.	All classes/children in school except Nursery (139 children).	<ul style="list-style-type: none"> - Engagement with a different sporting activity - A greater understanding of disability and bouncing back from challenging circumstances - Awareness of opportunities beyond mainstream sport - Awareness of mental health and wellbeing impact on participants
Windermere outdoor days x 5	£2250	Gain confidence in challenging situations. Gain new skills in outdoor activities. Experience different types of sport / physical activities. Enhancement of pupil’s outdoor water based skills. Improved pupil collaboration and communication.	All Key Stage 2 year groups (Years 3 to 6), 86 children. One activity day for all classes except for Year 6 who have 2 days.	The Outdoor Days have not taken place this year as a result of school closure. However, the dates have been retained for the following year.
Brewery Dance	£100	Extend creative movement experiences. Experience of viewing and participating in professional dance works in front of a live audience.	Ash class – 30 children (Year 3 & 4).	Due to school closure and national lockdown, the theatre performance of the dance piece was cancelled. However, the group benefitted from 10 weeks of specialist dance teaching, improving their skills and knowledge of dance and movement.

Sports Leaders (including training and resources)	£150	Selected pupils to learn playground games / activities and then to pass on their knowledge to other pupils. A wider range of activities going on at playtimes in the yard. Pupils to take responsibility for the running of the activities and the equipment involved.	All pupils (break and lunchtimes) with specific training for approximately 8 Year 6 children.	<ul style="list-style-type: none"> - Year 6 children working proactively to support younger children on the playground during breaks, improved responsibility and confidence - Greater interaction between year groups in school - Increased numbers of participants in games activities - Improved behaviour at breaktimes
Swimming – additional support.	£360	For non-swimmers to quickly gain confidence and improve their swimming ability whilst supporting the needs of more-able swimmers in the class group. All children to achieve National Curriculum competence -	10 children with poor swimming skills needing additional pool based support.	A very good and necessary use of funds. A large group of weak swimmers benefitted from Sara's expertise.
Bikeability	£95.50	Improved cycling skills and safety awareness when on the road. Additional adult support and supervision to improve opportunities and increase the number of successful children.	Year 6 children in Oak class – 22 children.	<ul style="list-style-type: none"> - All participants successful - Improved safety and road awareness - Greater flexibility with regard to travel to school leading to improved health
Multi-cultural dance workshops from a range of international cultures.	£1317	Curriculum enhancement and skills development in a broader sporting context – broadening horizons.	All children in school (3 one-hour sessions on consecutive weeks).	<ul style="list-style-type: none"> - Greater awareness of dance in other cultures - Improved skills and knowledge - Increased participation and engagement - Links to the broader school curriculum and global learning
Transport to events / entry fees	£32	Support and opportunity for our gifted sportspeople and wider opportunities for all children in school.	Usually 60+ children throughout the year covering a wide range of events.	<ul style="list-style-type: none"> - Increased participation in school organised events
Replacement of old / damaged sports equipment e.g high jump posts	£915.37	To maintain the quality of resources and provision in school.	All children in school through PE curriculum delivery.	Always ongoing – will need some big resource changes next year.
Extra gym equipment to go with previously bought gym boxes.		Pupils to use a wider range of agility skills during apparatus sessions / To make more use of the apparatus that we already have.	All children in school through PE curriculum delivery.	Excellent use of funds – children of all ages now have extra skills that can be practised in gym.
5-a-day fitness website subscription.	£518	Daily web based fitness activities to support PE and health in school. Used during indoor sessions and wet breaks and as a warm up to PE lessons.	Whole school	<ul style="list-style-type: none"> - Increased engagement and participation particularly when weather is inclement.
Total	£10,060	£17,420 - £10,060 = £7,360 carry forward.
