

Sedbergh Primary School

School Sports Premium Grant Expenditure – Review and Plan – September 2021

Review of Provision – Academic Year 2020/21

Year 6 swimming achievements by the end of spring term 2021.

This academic year, because of the Covid 19 restrictions, we have been unable to participate in any swimming lessons. These percentages are based on their ability in year 5 at spring 2020, before lockdown, however, this is for only 80% of the class as the other 20% of pupils arrived in school during year 6.

- 59% swim competently, confidently and proficiently over a distance of at least 25 metres
- 41% use a range of strokes effectively
- 41% perform safe self-rescue in different water based situations

Overview of the school; Pupils on roll 139, School Sports Premium Grant £17,230 (+ £13219 carried forward) = £30,449

Provision and Support	Cost	Impact	Participants	Comments/Evaluation
With the Covid-19 pandemic some planned events have been unable to take place. As a result of this, the planned EYFS improvements to their outdoor space have been postponed leaving a large carry forward.
