Physical Education - Curriculum Subject Statement			
Core Values	Early Years Foundation Stage	Key Stage 1	Key Stage 2
Health, Aspiration & Connection	<p>Children are provided with many opportunities to enhance both their fine and gross motor abilities. Children are able to show good control and co-ordination in large and small movements.</p> <p>They can negotiate space successfully and move confidently in a range of ways. We encourage all children to manage their own basic hygiene needs independently.</p>	<p>PE is taught by a combination of class teachers and external coaches who provide specific coaching for different areas of P.E.</p> <p>There is more of a focus on the multi-skills approach throughout the year.</p> <p>The children also have access to a range of lunchtime and after school clubs run by outside coaches.</p> <p>We aim to create a healthy and active energy within each individual that will promote an active lifestyle outside of school hours.</p>	<p>We are proud of the PE provision we offer for our KS2 children. PE is taught by a combination of class teachers and external coaches who provide specific coaching in different sports.</p> <p>We access a wide range of competitive activities where children are inspired to succeed and excel in competitive sport.</p> <p>We have a wide range of lunchtime and after school clubs run by a combination of outside coaches and school staff.</p> <p>We aim to create a healthy and active energy within each individual that will promote an active lifestyle outside of school hours.</p>
Outdoor Education - Curriculum Subject Statement			
Health, Awareness & Connection	<p>We aim to inspire all children to have a love for the outdoors and their natural world. We encourage children to ask questions about their environment and talk about things they have observed.</p> <p>We have weekly forest school sessions where children show care and concern for living things and their environment.</p>	<p>We continue to inspire all children to have a love for the outdoors and their natural world and to become increasingly aware of what experiences are available to them. We arrange for the children to partake in outdoor days in which they can try new activities.</p>	<p>We challenge the children with experiences outside their comfort zone and inspire them to try new activities.</p> <p>We make use of off-site provision through various Windermere Lake outdoor activity organisations and also of The Howgill Fells that overlook the town.</p>

Purpose of Study

A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

National Curriculum Subject Aims

The national curriculum for physical education aims to ensure that all pupils:

- ✓ Develop competence to excel in a broad range of physical activities
- ✓ Are physically active for sustained periods of time
- ✓ Engage in competitive sports and activities
- ✓ Lead healthy, active lives.

National Curriculum Subject Aims

Key Stage 1	Key Stage 2
<p>Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations.</p> <p>Pupils should be taught to:</p> <ul style="list-style-type: none"> • master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities • participate in team games, developing simple tactics for attacking and defending • perform dances using simple movement patterns. 	<p>Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.</p> <p>Pupils should be taught to:</p> <ul style="list-style-type: none"> • Use running, jumping, throwing and catching in isolation and in combination • Play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending • Develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics] • Perform dances using a range of movement patterns • Take part in outdoor and adventurous activity challenges both individually and within a team compare their performances with previous ones and demonstrate improvement to achieve their personal best. <p>Swimming and water safety</p> <p>All schools must provide swimming instruction either in key stage 1 or key stage 2. In particular, pupils should be taught to:</p> <ul style="list-style-type: none"> • Swim competently, confidently and proficiently over a distance of at least 25 metres • Use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] • Perform safe self-rescue in different water-based situations.
