<p>How will my child be included in activities outside the classroom, including school trips?</p>	<p>The school effectively uses our resources of TA's to help support and enable children to access school trips, visits and residential visits – this includes pre-visits where appropriate. We believe these are a valuable and essential part of the curriculum and ALL children will be fully included with the exception of circumstances where certain trips or activities would put the pupil or others at risk. In exceptional circumstances, possibly in Medical cases a parent may be asked to attend a visit to ensure a child is able to safely access the visit.</p>
