EVENTS IN SCHOOL

We wish you a warm welcome back for the Summer Term, and in particular, welcome to our 8 new children and their families. The children have settled straight back into their classes and routines this week, and it has been a very positive start to the new term.

Computing success:

Last term, half of Oak class covered the programming unit in their Computing lessons. They used the Scratch software to create interactive games. On the last day of term, they invited Y1 to come and play their games. It was a wonderful session and really brought their learning to life.

Y5 trip to Eden Camp:

Year 5 visited Eden Camp in Malton yesterday to round off their topic about World War Two. They were able to look at artefacts from different aspects of the war and watched a puppet show featuring popular wartime songs. Everyone behaved impeccably and were a credit to the school.

WONDER OF THE WEEK

Congratulations to our wonder of the week award winners this week. They have received their certificates and prizes in assembly this afternoon.

Elder: Wolf and Andrew

Spruce: Betty

Yew: Esme and Matthew

Beech: Jessica and Shara

Ash: Beatrice and Edward

Oak: Amelia and Mylo

We also had some Class Dojo Silver Award winners; well done!

COMMUNICATION REMINDER – CLASS DOJO

As per the letter to parents on 11th February 2025:
Class Dojo will be used to **share photos and celebrate teaching and learning** and will continue to be our reward system for pupils.
Staff in EYFS and KS1 will continue to share class stories with photos of the children's activities and learning. This is not as common place in KS2 as staff are not regularly taking photos to evidence learning.
As they run on a separate curriculum, with links between home and school a vital part of assessment, EYFS will continue to use individual profiles and messaging to share information between home and school.
This app will NOT be used to send messages/ reminders home for KS1 and KS2 classes.

19	20	21	22	23 School closes for half term at 3:30pm
26 Half term	27	28	29	30

REMINDERS:

Parking: Please help us to keep the area around a school site safe by parking responsibly. Please avoid parking on corners, the yellow zig zag lines, or blocking the road by stopping to drop children off. Our local PCSO will be increasing patrols to try and encourage safety near the school gates.

Healthy snacks: Please be reminded that the snacks children bring for morning breaktime should be healthy snacks – fruit, cereal, yoghurt etc. Children should not be eating cookies, chocolate or crisps at this time. We have a tuck shop for 20p an item if children would prefer to buy a snack.

Attendance: Termly attendance letters were shared before the Easter break. Please help your child to attend well and arrive on time – remember the rhyme 'in the line for ten to nine'. Please remember, as we move towards summer, that term time holidays will not be authorised and may be referred to the local authority resulting in a penalty notice and fine.
