EVENTS IN SCHOOL

Yew class visit to Akay Woods:

On Tuesday afternoon, Year 2 ventured out of the classroom to Akay Woods. On the way there, they completed a scavenger hunt which required excellent looking, listening and teamwork. In the woods, they had great fun learning how to safely build dens for teddies and themselves, using a flint and steel to spark cotton wool, and sitting around the campfire to toast bread!

Oak class STEM day at Settlebeck:

On Wednesday, Year 5 and 6 attended a STEM (Science, Technology, Engineering and Maths) Challenge day at Settlebeck School. They made friction cars in design and technology; solved 'escape room' problems in a maths and computing lesson; created an artwork of the planets using a marbling paper technique and solved a 'crime scene' investigation in science.

Many thanks to Steph Williams and all the Settlebeck staff involved for their time and effort in organising an enjoyable day.

WONDER OF THE WEEK

Congratulations to our wonder of the week award winners this week. They have received their certificates and prizes in assembly this afternoon.

Elder: Riley and Isaac

Spruce: Chrissie and Freya

Yew: Layla and Finlay

Beech: Henry and Lizzie

Ash: Isla and Eva

Oak: Harrison and Leah

We also had lots of Class Dojo Bronze and Silver Award winners; well done!

We have also introduced a brand-new award this week – the Golden Welly Award. This is to celebrate children who are embracing OPAL, and will be chosen based on a variety of positive attributes. These include playing with creativity, resilience and problem-solving skills, showing their social skills and team work, and helping at tidy up time too! Our first winners were Mal and Ole – congratulations!
