EVENTS IN SCHOOL

Y6 SATS:

Our Year 6 pupils have completed their SATs assessments this week. We are extremely proud of our pupils' work ethic, attitude to learning and resilience. They have taken the tests in their stride, always with a smile on their face. Well done to them all. We hope they enjoyed their treat today.

However, please do not forget that SATs only measure a small part of the talents and skills of this wonderful year group. They do not measure their beaming personalities, kindness and a host of other talents!

Y3 Fell Foot trip:

Year 3 have been the first class this year to embark on our annual visits to Fell Foot Park. They enjoyed a day of kayaking and paddle boarding on Lake Windermere and also used their map reading skills to complete an orienteering course. The teachers said the pupils were brilliantly behaved and commented on their respect and manners whilst representing the school on this trip. Well done everyone!

WONDER OF THE WEEK

Congratulations to our wonder of the week award winners this week. They have received their certificates and prizes in assembly this afternoon.

Elder: Frankie and Molly

Spruce: Abbie and Lucy

Yew: Maisie

Beech: Ollie and Joseph

Ash: Jacob and Juliette

Oak: Maci, Maisie, Olivia and all of Y6

We also had some Class Silver Award winners; well done!

The Golden Welly Award (celebrating children's OPAL skills) this week went to Harley and Raven. Well done!

REMINDERS

Uniform and PE kit:

- Please ensure all items of clothing (including hats) are labelled with your child's name. We are gathering a lot of unnamed lost property that cannot be easily returned to its owner.
- Please be reminded that school PE kit is a plain white t-shirt and blue/ black shorts/ joggers. We are seeing an increase in football kit, tracksuits and patterned tops which are not our PE uniform.
- Please avoid sending any expensive/ branded items (particularly hats/ sunglasses etc) to school.
- SMART watches are not permitted to be worn in school.

Parent contact:

We are embedding our school rules of 'ready, respectful and safe' and behaviour in school is good. However, there is the odd occasion where pupil behaviour falls short of our expectations and needs to be addressed. Please trust that this is done in line with our behaviour policy and parents are contacted when the leadership team feel this is necessary.

We kindly ask parents to avoid contacting each other regarding pupil behaviour in school. If you have any questions or queries about pupil behaviour, please contact the school office and ask to speak to a member of the leadership team.

Please avoid messaging individual teachers through the class dojo app – as per previous communication, teachers can be contacted via the school office.

Payment of fees:

Nursery and Wraparound Care are both chargeable childcare facilities. We currently have a significant number of fees outstanding. Please settle any invoices with Mrs Scarr as soon as possible. If you are having difficulty making payments, please speak to Mrs Hudson.
