EVENTS IN SCHOOL THIS WEEK

Forest School:

Spruce class had another active and purposeful session yesterday. Despite the cold and wet they got stuck into making fairy and goblin homes, after a request from Grandfather Oak. Some children tried out making tripod structures using sticks, learning how this is a strong and effective frame for a dens or shelters.

They were excited to see the snowdrops coming up as a sign of Spring. Lots of worms were found in the digging pit and studied closely! And some amazing 'mushrooms' were discovered growing out of a log, which stimulated a chat about what fungi is and how to behave around it.
