EVENTS IN SCHOOL

KS1 trip to Whinlatter Forest:

The children in Y1 and Y2 had a wonderful day on their trip to Whinlatter Forest last Friday. They enjoyed a walk through the mountain forest, exploring different wildlife and habitats, and were very excited to spot a red squirrel! The children also created beautiful natural artwork inspired by Andy Goldsworthy using materials they found around them. After a busy morning, everyone relaxed with a picnic and had lots of fun playing in the park. It was a fantastic day and enjoyed by all.

SCARF workshops:

Today, children from Nursery to Year 3 enjoyed fun and interactive workshops led by Katy from Coram SCARF Education, all about keeping our bodies happy and healthy. Early Years children explored feelings and ways to care for themselves, while Years 1 and 2 learned about emotions, body parts, and how to help themselves and others when feeling unhappy. Year 3 pupils discussed the different functions of body parts and the harmful effects smoking can have on the body. Each class also had a special visit from Harold the Giraffe, which was a highlight for everyone.
