EVENTS IN SCHOOL

Playground Proms:

We had a fantastic Playground Proms assembly on Monday! Our students brought the music to life with performances, big smiles, and plenty of audience participation. It was wonderful to see everyone singing, clapping, and celebrating together. The programme was not only entertaining but truly inspirational, reminding us all of the power of music to bring people together. A huge well done to all the children for their effort and thank you to the staff who helped make the event such a success. What a brilliant way to celebrate music in our school ahead of the Sedbergh Music Festival.

Y4 Stone Age Day:

We had such a fun day out on our Stone Age experience with Tim! We learned how they discovered lighting fires and cook their food, rather than eat things raw. Also, we learned how to be nomadic and forage for our food. Hunting strategies were also practised, so that we didn't injure ourselves or use too much energy tracking down wild beasts. During the day, we had to protect our chicken egg, as that was our only meal of the day. The whole day was about survival and we all appreciated how brilliant Stone Age people were to survive such a hard, daily life.

Y5/6 Fell Foot trip:

On Wednesday, Year 5 and 6 took part in a fantastic outdoor adventure day at Fell Foot, Newby Bridge. After an impressive amount of paddle boarding, everyone ended their session by jumping into the lake! The children also practiced their orienteering skills in the park by working in teams to find points from a map. A great time was had by all!

Y4 Athletics at Casterton:

On Wednesday afternoon, Year 4 ventured down to Sedbergh Prep at Casterton School to compete against three other schools at the 2026 Athletics Event. Selected children entered into both track and field events. The results have not been published yet, but Sedbergh Primary School should be very proud of how the Year 4 pupils represented the school, showing great determination, respect and resilience.

SPORTS DAYS

This week, our school community came together to celebrate 3 fantastic Sports Day, with children from EYFS, KS1 and KS2 all taking part in a range of exciting track and field events. It was wonderful to see such enthusiasm, teamwork and determination on display across all age groups. The events were very well attended by parents, whose support and encouragement helped to create a brilliant atmosphere throughout. Despite a little rain during the KS1 events, spirits remained high and the children showed great resilience and enjoyment. A special thank you to the Y6 children for their support during the events for KS1 too. A huge well done to everyone involved in making the events such a memorable and successful occasion!
