SNAPSHOT OF THE WEEK

School Council:

We have been learning about democracy in school recently. To tie in with this, our classes (Y2 - Y6) held elections for their School Council representatives. Congratulations to those who have been elected - we have had our first meeting and are already underway with planning our actions for the year.

Church Visit:

Thank you to St Andrew's Parish Church, Sedbergh for hosting us for a Harvest Service on Tuesday. It was wonderful to come together as a school community to reflect, celebrate, and give thanks.

Harvest Workshop:

This week, EYFS enjoyed a wonderful Harvest Workshop with Ben. The children listened carefully to a story and then talked about the special celebration of harvest and learned about what Christians believe and why they give thanks during this season. The children had great fun making vegetable people, exploring a farm sensory tray, and developing their cutting skills with harvest-themed pictures. A huge thank you to Ben for such an engaging and enjoyable afternoon, and well done to all of the children for their fantastic listening, thoughtful contributions, and excellent participation throughout the workshop.

Wheelchair basketball:

This week, every class from Nursery to Year 6 enjoyed an exciting wheelchair basketball workshop led by Nat and Jack. Pupils learned about the importance of inclusive sport, developed resilience by trying new skills and overcoming challenges, and gained a greater understanding of how everyone can participate in physical activity. Most importantly, the sessions were full of energy, enthusiasm and fun, with children thoroughly enjoying the opportunity to take part in this unique sporting experience.
