SNAPSHOT OF THE WEEK

Library Bus:

Pupils enjoyed a visit to the Library Bus on Monday, where they listened to stories and chose new library books for their classrooms.

Y6 Bikeability:

Our Y6 pupils have had their Bikeability sessions this week. This is a cycle training programme to help pupils learn practical skills and understand road safety. They spent some time on the playground and then went out to practice their skills around the roads of Sedbergh.

Art in nature sessions:

Our Y6 were delighted to be invited back to Killington for 'Imagining Inside' art and nature workshops. Last week, Stella visited the children in school and they explored artists who use inside spaces to create artwork, and they had a go at using the rubbing technique around the classroom. Today, they went to the forest and created clay sculptures inspired by artist Urs Fischer and then developed their scientific understanding of microhabitats, finishing off the workshop creating a hibernaculum (a human made microhabitat for woodland creatures).

READY, RESPECTFUL, SAFE

At school, we encourage all children to be **Ready, Respectful and Safe**.

This half term we have been spending time helping children understand what respect looks like in everyday life. Small acts can make a big difference, such as using good manners, holding doors open or standing aside for others, listening carefully to what others have to say, stopping when someone asks us to stop, and following instructions the first time they are given.

We would really value your support in reinforcing these positive habits at home. By working together, we can help our children grow into kind, considerate and respectful members of our school community.

WONDER OF THE WEEK

Congratulations to our wonder of the week award winners this week. They have received their certificates and prizes in assembly this afternoon.

Spruce: Otis

Yew: Charlie

Hazel: Esmae

Beech: Bella

Ash: Ella

Oak: Eva

We also had our first Class Dojo Bronze certificates today – well done to those children who have already achieved 25 points!

Our School Council are supporting a whole school focus on listening, and today they shared their winners for a brand-new listening award, with the certificate designed and created by Raven – fantastic initiative!
